RMT Platform is a website

dedicated to the industrial and health & safety issues affecting staff working on London Underground.

The site now has a BRAND NEW

page for the Liverpool Street Group (Barbican, Farringdon, Aldgate, Moorgate and Liverpool Street).

By logging into this site you will not only gain access to a wealth of useful information about your rights and company policy, help and advice, but you can contribute your own knowledge.

On the Liverpool Street page find information specific to your group, including newsletters, reports, blog entries and more.
